### Affiliation Reports generation Page

The following Reforms are implemented in the year 2020-21:

#### 1. Guidelines for grant of Permanent Affiliation in the Affiliated Colleges

Colleges with academic and operative freedom can do better and have more credibility. Hence, UGC, in this direction, has proposed to increase the number of autonomous colleges to spread the culture of autonomy and the target is to make 10 per cent of eligible colleges autonomous by the end of the XII Plan period. JNT University Hyderabad, as a first step towards Autonomy has proposed to float the process of granting Permanent Affiliation for a period of three years to the existing Affiliated Colleges under its purview. So, the Colleges who are in future willing to become self-sufficient from academic and financial fronts can seek of Permanent Affiliation from the University based on Self-Appraisal. Therefore, from the academic year 2020-21 onwards JNTUH will be verifying the credibility of the affiliated Colleges for the issue of Permanent Affiliation status.

#### 2. Submission of Grievances to the University by the Faculty members & Students of Affiliated Colleges in online mode

In order to reduce the time taken for resolving the grievances faced by faculty members and students of affiliated Colleges, the University has enhanced the Grievances Redressal System by introducing the submission of grievances by the faculty members and Students through online mode.

#### 3. Meeting with Stakeholders of the University

A meeting was convened with the stakeholders of the University on 25-02-2020 predominantly involving the Managements and Principals of the Affiliated Colleges to appraise them about new reforms, best practices and upcoming challenges in near future pertaining to Academic curriculum (inclusion of courses in Emerging Areas), Examinations, Affiliation Process, Research & Development and other Student centric activities. The meeting was graced by around 600 representatives belonging 250 Colleges, who have given their valuable suggestions apart from their concerns for the overall development of Quality of Higher Education. Subsequently, the Affiliation Procedure and Regulations for the ensuing academic year 2020-21 have been revised and process of grant of Permanent Affiliation was floated.

#### 4. Implementation of Facial Recognition System (FRS)

Owing to the pandemic COVID-19 situation prevailing, the Aadhaar based Biometric attendance system (based on Fingerprint recognition) which was used to monitor the daily attendance of Faculty members

and Students in both Constituent Units & Affiliated Colleges of the University has been dispensed with and Facial Recognition System was identified as an alternative. Facial Recognition System is capable of identifying or verifying a person from a digital image or a video frame from a video / camera source and it is widely adopted due to its contactless and non-invasive process. Further, it is described as a Biometric Artificial Intelligence based application that can uniquely identify a person by analyzing patterns based on the person's facial textures.
