Cir. No: UAAC/Circular/Faculty Selection/2020

Date: 14-08-2020

**CIRCULAR**

The University is in receipt of requests from various Affiliated Colleges with regard to grant of permission for selection of Faculty member(s) and in this regard, the Principals / Chairman / Secretary of affiliated Colleges are hereby informed to ensure that the faculty member(s) may be retained for atleast one Academic semester to ensure smooth and effective academic activity.

Further, it is observed that, some of the Colleges / Institutes are not providing any information to the University for any of the following as detailed below, thereby leading to faculty deficiency while issuing the affiliation letters to the Colleges for the ensuing academic year:

- i) About non-availability of faculty member(s) **or**
- ii) Not requesting the University for the conduct of Selection of Faculty member(s) **or**
- iii) Appointing faculty member(s) on temporary basis

Keeping in view of the above, in case of any emergency, the Colleges are directed to intimate to the University about the vacancy position of the faculty members at the earliest to avoid any complications during the issue of Affiliation letters and ensure that academic activity does not suffer at any point of time. As the Colleges are violating the affiliation regulations in vogue with respect to faculty selections, the University is in receipt of RTI/Emails/Letters/Legal notices and Court cases filed in this regard. Hence, the University treats the status of all such appointments as invalid until a duly constituted Selection Committee comprising of University nominees conducts the selections process. However, the norms and instructions for the conduct of selection of faculty members remain same and the University will notify about the same from time to time through the UAAC portal. .

The University will generally notify about the faculty selections process to the Colleges based upon the number of requests received from the Colleges. In case, the University is unable to notify about the faculty selections and the Colleges are willing to fill any of the faculty vacancy positions with eligible candidates, the list shall be intimated to the University.

Further, if the Colleges wish to issue appointment letters to the eligible candidates as faculty member(s), then the Colleges are hereby directed to do so by mentioning that such

appointment(s) is/are purely **temporary / adhoc basis** only and their candidature is valid for the same subject to their selection by the Selection Committee duly constituted by the University for the purpose.

This is for your information and necessary action.
